**To Whom it concerns**

**Re. EFEE member**

5.1.2e

Brown and Mason  
Anson House,  
Schooner Court,  
Crossways Business Park,  
Dartford,  
Kent. DA2 6QQ  
UK

This is to certify that 5.1.2e is a member of European Federation of Explosives Engineers (EFEE). He became an EFEE Member 2015-06-16. Member #306.

The primary objectives of the Federation are:

- a) Promotion of standardisation and harmonisation of explosives training in Europe.
- b) Promotion of explosives technology in all fields related to this technology.
- c) Promotion of a Pan European Certificate of Competence for Shotfirers regarding the blasting work with explosives ultimately, to create a European Shotfiring Certificate.
- d) Promotion of safety, health, environment and security in the field of explosives technology.
- e) The fostering of the image of the profession as well as good relations and co-operation with related associations.
- f) Collaboration on the development of laws and regulations within the EFEE field of activities.

The Federation is politically neutral.
